- Bharti Airtel Limited, India.

#### **GENERAL ACCOUNTING PRINCIPLES FOR THE PREPARATION OF THE ANNUAL ACCOUNTS**

The financial statements have been prepared in accordance with the general provisions of Title 9, Book 2 of the Dutch Civil Code. As allowed in art.2:396 paragraph 6 of the Dutch Civil Code, the valuation of the assets and liabilities and the determination of the result is based on the principles for determination of the taxable profit, as meant in chapter II of the Corporate Income Tax Act 1969. The annual report and financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in US Dollars. These financial statements will be submitted for consideration and approval at the forthcoming Annual Meeting of Shareholders of the Company.

##### **Financial instruments**

Financial instruments are both primary financial instruments, such as receivables and payables, and financial derivatives. For the principles of primary financial instruments, reference is made to the treatment per Balance Sheet item.

The Company does not use derivatives.

##### **Translation of foreign currency**

The financial statements are presented in US dollar, which is the Company's functional and presentation currency, this based on the currency in which its main transactions are concluded.

Transactions in foreign currencies (transactions not in the functional currency of the transaction entity) are translated at the foreign exchange rate at transaction date.

Monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rate prevailing at the Balance Sheet date. All differences are taken to the income statement. Share capital, which is denominated in Euro, is translated at the exchange rate prevailing at the Balance Sheet date; differences are taken to the Other reserves within shareholder's equity.
