

### **Details of network capacity fee:**

- NCF = Rs. 130 (w/o tax) + Rs. 23.4 (GST) = Rs.153.4 (Total Price with tax) for first 100 channels and Rs.20 (w/o tax) + Rs. 3.60 (GST) = Rs. 23.60 (Total price with tax) for every 25 additional channels thereof
- Network Capacity Fee of Rs.100/- (taxes extra) for 100 SD channels, for all multiple TV connections getting activated under the same account in a home. Additional NCF of Rs.20/- (taxes extra) will be applicable for subsequent slots of 25 SD channels over and above the 100 channels
- One HD channel shall be treated equal to two SD channels for the purpose of calculating NCF
- Airtel customers subscribing to any pack or creating their own pack containing any number of paid channels, can avail complimentary access to upto 200 FTA channels at no extra cost to them
- These complimentary channels (as one single top-up) are optional and available to all Airtel customers
- In case a customer does not wish to continue with this complimentary top-up/channels, he/she can unsubscribe the top-up at any point in time
- In case if the customer opts for a few/ limited FTA channels on a-la-carte basis out of the complimentary top-up, then NCF will be applicable as per the relevant NCF slab specified in the TRAI regulations.
- This complimentary top-up to the customers is being provided by Airtel at its sole discretion and without prejudice to its right to modify the composition of the top-up and/or discontinue or withdraw the top-up without any notice/ refund to the customers
