Dear Sir,

We wish to inform that we have today sold ~0.56% shareholding (34.30 million shares) in Bharti Airtel Limited through market transaction, for an aggregate amount of ~Rs. 7,200 Crore.

The transaction attracted strong interest, receiving robust orders from marquee domestic and international long-only investors. Both new and existing shareholders of Airtel participated, with the placements majorly allocated to long-only investors. This transaction is aligned with the publicly stated position that Bharti Telecom Limited, a Bharti controlled group subsidiary and the promoter of Airtel, will continue to be the principal vehicle to hold controlling stake in Airtel.

This is for your information and records.
