I. AUDIT DES ETATS FINANCIERS ANNUELS

1.1 Opinion

Nous avons effectué l'audit des états financiers annuels de la société GABON TOWER, S.A., comprenant le bilan au 31 décembre 2024, le compte de résultat, le tableau des flux de trésorerie, ainsi qu'un résumé des principales méthodes comptables et d'autres informations explicatives contenues dans les notes annexes aux états financiers annuels.

A notre avis, les états financiers annuels sont réguliers et sincères et donnent une image fidèle du résultat des opérations de l'exercice écoulé ainsi que de la situation financière et du patrimoine de la société à la fin de cet exercice, conformément aux règles et méthodes comptables édictées par le SYSCOHADA révisé.

1.2 Fondement de l'opinion

Référentiel d'audit

Nous avons effectué notre audit selon les normes internationales d'audit (« ISA »), conformément aux prescriptions du Règlement N°01/2017/CM/OHADA daté du 8 juin 2017, portant harmonisation des pratiques des professionnels de la comptabilité et de l'audit. Les responsabilités qui nous incombent en vertu de ces normes sont plus amplement décrites dans la section « Responsabilités du commissaire aux comptes relatives à l'audit des états financiers annuels » du présent rapport.

Indépendance

Nous sommes indépendants de la société conformément au Code d'éthique des professionnels de la comptabilité et de l'audit édicté par le Règlement N°01/2017/CM/OHADA précité, et des règles d'indépendance qui encadrent le commissariat aux comptes, et nous avons satisfait aux autres responsabilités éthiques qui nous incombent selon ces règles.

Nous estimons que les éléments probants que nous avons recueillis sont suffisants et appropriés pour fonder notre opinion d'audit.

1.3 Observations du Commissaire aux comptes

Sans remettre en cause l'opinion exprimée ci-avant, nous attirons votre attention sur le point exposé dans la note annexe aux états financiers n° 2.B, concernant l'application, au même titre que les exercices précédents, de la méthode des valeurs liquidatives comme hypothèse de base d'établissement des états financiers annuels de l'exercice clos le 31 décembre 2024, à la suite de la décision de l'Actionnaire Unique en date du 4 mars 2016, portant sur la dissolution anticipée la société Gabon Tower, S.A..

1.4 Responsabilités de la Gouvernance relatives aux états financiers annuels

Les états financiers annuels ont été établis par la Direction et arrêtés par l'Administrateur Général.

l'Administrateur Général est responsable de la préparation et de la présentation sincère des états financiers annuels conformément aux prescriptions de l'Acte Uniforme de l'OHADA relatif au droit des sociétés commerciales et du GIE et aux règles et méthodes comptables édictées par l'Acte Uniforme de l'OHADA relatif au droit comptable et à l'information financière, ainsi que du contrôle interne qu'il estime nécessaire pour permettre la préparation d'états financiers annuels ne comportant pas d'anomalies significatives, que celles-ci proviennent de fraudes ou résultent d'erreurs.

Lors de la préparation des états financiers annuels, il incombe à l'Administrateur Général d'évaluer la capacité de la société à poursuivre son exploitation, de fournir, le cas échéant, des informations relatives à la continuité d'exploitation et d'appliquer la base de continuité d'exploitation, sauf si l'Administrateur Général a l'intention de mettre la société en liquidation ou de cesser ses activités ou s'il n'existe aucune autre solution alternative réaliste qui s'offre à lui.

Il incombe à l'Administrateur Général de surveiller le processus d'élaboration de l'information financière de la société et d'arrêter les états financiers annuels.

1.5 Responsabilités du Commissaire aux comptes relatives à l'audit des états financiers annuels.

Nos objectifs sont d'obtenir l'assurance raisonnable que les états financiers annuels pris dans leur ensemble ne comportent pas d'anomalies significatives, que celles-ci proviennent de fraudes ou résultent d'erreurs, et d'émettre un rapport d'audit contenant notre opinion. L'assurance raisonnable correspond à un niveau élevé d'assurance, qui ne garantit toutefois pas qu'un audit réalisé conformément aux normes « ISA » permettra de toujours détecter toute anomalie significative existante. Les anomalies peuvent provenir de fraudes ou résulter d'erreurs et sont considérées comme significatives lorsqu'il est raisonnable de s'attendre à ce que, prises individuellement ou en cumulé, elles puissent influencer les décisions économiques que les utilisateurs des états financiers annuels prennent en se fondant sur ceux-ci.

Nos responsabilités pour l'audit des états financiers annuels sont décrites de façon plus détaillée dans l'annexe 1 du présent rapport du Commissaire aux comptes.

II. AUTRES INFORMATIONS ET VERIFICATIONS SPECIFIQUES PREVUES PAR LA LOI

La responsabilité des autres informations incombe à l'Administrateur Général. Les autres informations se composent du rapport de gestion à l'Administrateur Général et des autres documents adressés à l'Actionnaire Unique sur la situation financière et les états financiers annuels.

Notre opinion sur les états financiers annuels ne s'étend pas aux autres informations et nous n'exprimons aucune forme d'assurance que ce soit sur ces informations.

Dans le cadre de notre mandat de commissariat aux comptes, notre responsabilité est :

- d'une part, de procéder aux vérifications spécifiques prévues par la Loi, et ce faisant, de vérifier la sincérité et la concordance avec les états financiers annuels des informations données dans le rapport de gestion de l'Administrateur Général, et dans les documents adressés à l'Actionnaire Unique sur la situation financière et les états financiers annuels, et de vérifier, dans tous leurs aspects significatifs, le respect de certaines obligations légales et réglementaires;
- d'autre part, de prendre connaissance des autres informations et, par conséquent, d'apprécier s'il existe une incohérence significative entre celles-ci et les états financiers annuels ou la connaissance que nous avons acquise lors de l'audit, ou encore si les autres informations semblent comporter une anomalie significative.

Si à la lumière des travaux que nous avons effectués lors de nos vérifications spécifiques ainsi que sur les autres informations, nous concluons à la présence d'une anomalie significative, nous sommes tenus de signaler ce fait.

En application de la loi, nous devons attirer votre attention sur le point suivant :

• Situation des capitaux propres à la clôture de l'exercice 2024

Au 31 décembre 2024, votre société présente des capitaux propres d'un montant négatif de FCFA 28 millions, inférieur à la limite minimale prévue par l'article 664 de l'Acte uniforme OHADA relatif au droit des sociétés commerciales et du GIE (à savoir la moitié du capital social libéré, soit FCFA 5 millions correspondant à 50% de FCFA 10 millions).

ANNEXE PORTANT SUR LES RESPONSABILITES DU COMMISSAIRE AUX COMPTES RELATIVES A L'AUDIT DES ETATS FINANCIERS

Cette annexe fait partie intégrante de notre rapport de commissariat aux comptes.

Dans le cadre de nos diligences, nous nous conformons successivement :

- aux exigences des Normes Internationales d'Audit (« ISA ») et ;
- aux obligations spécifiques édictées par l'acte uniforme de l'OHADA relatif aux droits des sociétés commerciales et du GIE.

De manière plus détaillée,

- Nous nous conformons aux règles d'éthique relatives à l'audit des états financiers annuels édictées par le Code d'éthique et de déontologie des experts-comptables exerçant en zone CEMAC, ainsi que le Code de déontologie des professionnels comptables du Conseil des normes internationales de déontologie comptable (le code de l'IESBA), et les règles d'indépendance qui encadrent le commissariat aux comptes;
- Nous faisons preuve d'esprit critique qui implique d'être attentifs aux éléments probants qui contredisent d'autres éléments probants recueillis, aux informations qui remettent en cause la fiabilité de documents et de réponses apportées aux demandes de renseignements à utiliser en tant qu'éléments probants, aux situations qui peuvent révéler une fraude possible, aux circonstances qui suggèrent le besoin de mettre en œuvre des procédures d'audit en supplément de celles requises par les Normes ISA.
- Nous faisons preuve de jugement professionnel lors de la conduite de l'audit en particulier pour les décisions portant sur le caractère significatif et le risque d'audit, la nature, le calendrier et l'étendue des procédures d'audit à mettre en œuvre pour satisfaire les diligences requises par les normes ISA et pour recueillir des éléments probants, le fait de déterminer si des éléments probants suffisants et appropriés ont été recueillis, et si des travaux supplémentaires sont nécessaires pour atteindre les objectifs des normes ISA et, par voie de conséquence, les objectifs généraux de l'auditeur, l'évaluation des jugements de la direction portant sur le suivi du référentiel comptable applicable, le fondement des conclusions tirées des éléments probants recueillis, par exemple l'appréciation du caractère raisonnable des évaluations faites par la direction lors de l'établissement des états financiers;
- Nous préparons tout au long de l'audit une documentation qui fournisse une trace suffisante et appropriée des travaux, fondements de notre rapport d'audit et des éléments démontrant que l'audit a été planifié et réalisé selon les Normes ISA et dans le respect des exigences législatives et réglementaires applicables;
- Nous identifions et évaluons les risques que les états financiers comportent des anomalies significatives, que celles-ci résultent de fraudes ou d'erreurs, concevons et mettons en œuvre des procédures d'audit en réponse à ces risques, et réunissons des éléments probants suffisants et appropriés pour fonder notre opinion. Le risque de non-détection d'une anomalie significative résultant d'une fraude est plus élevé que celui d'une anomalie significative résultant d'une erreur

car la fraude peut impliquer la collusion, la falsification, les omissions volontaires, les fausses déclarations ou le contournement du contrôle interne ;

- Nous recueillons, le cas échéant, des éléments probants suffisants et appropriés concernant le respect des dispositions des textes législatifs et réglementaires dont il est admis qu'elles ont une incidence directe sur la détermination des données chiffrées significatives enregistrées et l'information fournie dans les états financiers, mettons en œuvre des procédures d'audit spécifiques visant à identifier les cas de non-respect d'autres textes législatifs et réglementaires qui peuvent avoir une incidence significative sur les états financiers, et apporter une réponse appropriée aux cas avérés ou suspectés de non-respect des textes législatifs et réglementaires identifiés au cours de l'audit
- Nous prenons connaissance du contrôle interne de la société afin de définir des procédures d'audit appropriées aux circonstances, et non dans le but d'exprimer une opinion sur l'efficacité du contrôle interne de la société. Lorsque des faiblesses significatives sont identifiées, nous les communiquons à la direction;
- Nous évaluons l'incidence sur l'audit des anomalies relevées et l'incidence sur les états financiers des anomalies non corrigées, s'il en existe. Nous les communiquons au niveau approprié de la direction, à moins que ceci ne lui soit interdit par la loi ou la réglementation;
- Nous apprécions le caractère approprié des méthodes comptables retenues et le caractère raisonnable des estimations comptables faites par la direction, de même que des informations y afférentes fournies par cette dernière;
- Nous apprécions la présentation d'ensemble, la structure et le contenu des états financiers, y compris les informations fournies dans les notes, et apprécions si les états financiers reflètent les opérations et événements sous-jacents d'une manière propre à donner une image fidèle;
- Nous identifions les relations et des transactions avec les parties liées, que le référentiel comptable applicable établisse ou non des règle en la matière, pour être en mesure de relever des facteurs de risque de fraudes, s'il en existe, découlant de relations et de transactions avec les parties liées, qui sont pertinents pour l'identification et l'évaluation des risques d'anomalies significatives provenant de fraudes, et conclure, sur la base des éléments probants recueillis, si les états financiers, pour autant qu'ils soient affectés par ces relations et ces transactions sont présentés sincèrement ou ne sont pas trompeurs. En outre, lorsque le référentiel comptable applicable contient des règles concernant les parties liées, nous recueillons les éléments probants suffisants et appropriés pour déterminer si les relations et les transactions avec les parties liées ont été correctement identifiées et comptabilisées dans les états financiers et si une information pertinente les concernant a été fournie dans ceux-ci;
- Nous recueillons les éléments probants suffisants et appropriés montrant que les événements survenus entre la date des états financiers et la date de notre rapport, nécessitant un ajustement des états financiers ou une information à fournir dans ceux-ci, ont fait l'objet d'un traitement approprié dans les états financiers conformément au référentiel comptable applicable;
- Nous concluons quant au caractère approprié de l'utilisation par la direction du principe comptable de continuité d'exploitation et, selon les éléments probants recueillis, quant à l'existence ou non

d'une incertitude significative liée à des événements ou situations susceptibles de jeter un doute important sur la capacité de la société à poursuivre son exploitation. Si nous concluons à l'existence d'une incertitude significative, nous sommes tenus d'attirer l'attention des lecteurs de notre rapport sur les informations fournies dans les états financiers au sujet de cette incertitude ou, si ces informations ne sont pas adéquates, d'exprimer une opinion modifiée. Nos conclusions s'appuient sur les éléments recueillis jusqu'à la date de notre rapport;

- Nous obtenons des déclarations écrites de la Direction Générale confirmant que celle-ci considère avoir satisfait à ses responsabilités relatives à l'établissement des états financiers ainsi qu'à l'exhaustivité des informations qui nous ont été fournies. En outre, nous confortons d'autres éléments probants relatifs aux états financiers ou à des assertions spécifiques contenues dans ceux-ci au moyen de ces déclarations écrites si nous estimons nécessaire ou si celles-ci sont requises par d'autres normes ISA;
- Nous nous assurons, tout au long de l'audit, que l'égalité entre les associés est respectée, notamment que toutes les actions d'une même catégorie bénéficient des mêmes droits;
- Nous devons signaler à la plus prochaine Assemblée Générale, les irrégularités et les inexactitudes relevées lors de l'audit. En outre, nous devons signaler au ministère public les faits délictueux dont nous avons a eu connaissance au cours l'audit, sans que notre responsabilité puisse être engagée par cette révélation;
- Nous avons l'obligation du respect du secret professionnel pour les faits, actes et renseignements dont nous avons eu connaissance.

1.2 Basis of opinion

Audit framework

We conducted our audit in accordance with International Standards on Auditing (ISAs) in compliance with Regulation N $^{\circ}$ 01/2017/CM/OHADA of 8 June 2017 on the harmonization of the practices of accounting and auditing professionals. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

Independence

We are independent of the company in accordance with the Code of Ethics for Professional Accountants and audit published by Regulation $N^{\circ}01/2017/CM/OHADA$ referred to above, together with the independence requirements governing the statutory auditor, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

1.3 Emphasis of matters

Without qualifying the opinion stated above, we draw your attention to Note 2.B to the 2024 annual financial statements relating to the application, as with previous years, of the net asset value method as the assumption for the preparation of the financial statements for the year ended December 31, 2023, following the decision of the sole shareholder dated March 4, 2016, concerning the early liquidation of Gabon Tower S.A.

1.4 Responsibilities of those charged with governance regarding the annual financial statements

The annual financial statements were prepared by management and approved by the General Managing Director.

The General Managing Director is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the OHADA Uniform Act relating to the Law of Commercial Companies and Economic Interest Group (EIG) and the accounting standards of the OHADA Uniform Act relating to accounting law and financial information, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the General Managing Director is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The General Managing Director is responsible for overseeing the company's financial reporting process.

1.5 Auditor's responsibilities for the audit of the annual financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with <<ISA>> will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

Deloitte.

Our responsibilities for the audit of the annual financial statements are detailed in Appendix ${\bf 1}$ of this report.

II. Specific Verifications required by law and other information

The responsibility for other information falls on the General Managing Director. Other information relates to information contained in the management report and other documents provided to the sole shareholder on the financial position and the annual financial statements.

Our opinion on the financial statements do not extend to other information and we do not provide any form of assurance whatsoever on this information.

As part of our mandate as statutory auditors:

- it is our responsibility to perform specific verifications required by law and in so doing, verify
 the sincerity and coherence of information provided in the management report and other
 documents provided to the sole shareholder with that in the annual financial statements. It is
 also our responsibility to verify, considering their importance, that certain legal obligations and
 requirements are respected;
- furthermore, it is our responsibility to read all other information and consequently, to determine if they are materially different from the financial statements or information we obtained during our audit, or whether the other information contains a material discrepancy.

If following from our work on specific verifications or on other information, we conclude that there are material discrepancies, we are required to report on these.

In accordance with the law, we must draw our attention to the following point:

Equity position at the close of the 2024 financial year

As of December 31, 2024, your company shows negative equity in the amount of FCFA 28 million, which is below the minimum threshold set by Article 664 of the OHADA Uniform Act on Commercial Companies and Economic Interest Groups (EIG) (that is, half of the paid-up share capital amounting to FCFA 5 million, equivalent to 50% of FCFA 10 million).

APPENDIX 1 ON THE RESPONSIBILITIES OF THE STATUTORY AUDITOR FOR THE AUDIT OF FINANCIAL STATEMENTS

This appendix is an integral part of the auditor's report.

As part of our procedures, we comply with:

- the requirements of International Standards on Auditing <<ISA>>) and;
- the specific obligations stated by the OHADA Uniform Act relating to the Law of Commercial Companies and EIG.

In more detail,

- We comply with the ethical rules relating to the audit of annual financial statements presented in the Code of Ethics of Professional Accountants of the International Ethics Standards Board for Accountants (the IESBA Code) and the independence rules governing the statutory auditor;
- We maintain professional skepticism, which involves assessing evidence contradicting other
 evidence obtained, information questioning the reliability of documents and responses to
 information requested to be used as evidence, situations that may reveal possible fraud, and
 circumstances that suggest the need to perform audit procedures in addition to those required
 by the ISA;
- We exercise professional judgment throughout the audit, in particular in making decisions about materiality and audit risk, the nature, timing and extent of audit procedures to be performed to satisfy the requirements of the ISAs and to obtain audit evidence, and to determine whether sufficient and appropriate audit evidence has been obtained, and whether further work is required to achieve the objectives of the ISAs and, accordingly, the auditor's overall objectives, the assessment of management's judgments related to the applicable financial reporting framework, the basis for conclusions drawn from the audit evidence obtained, such as the assessment of the reasonableness of assessments made by management in preparing the financial statements;
- We prepare throughout the audit procedures that provides sufficient and appropriate evidence
 of the work performed, the basis for our audit report and evidence that the audit was planned
 and performed in accordance with ISAs and in compliance with applicable legislative and
 regulatory requirements;
- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- We obtain audit evidence that is sufficient and appropriate, regarding compliance with the provisions of laws and regulations that are expected to have a direct effect on the determination of the material amounts recorded and the information provided in the financial statements, perform specific audit procedures to identify non-compliance matters with other laws and regulations that may have a material effect on the financial statements, and provide an appropriate response to cases or suspected cases of non-compliance with laws and regulations identified during the audit;
- We obtain an understanding of the company's internal control in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. When significant deficiencies are identified, we communicate them to management.

Deloitte

- We assess the impact of identified misstatements on the audit and the impact of uncorrected misstatements on the financial statements, if any. We communicate them to the appropriate level of management, unless prohibited by law or regulation.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- We evaluate the overall presentation, structure and content of the financial statements, including
 the disclosures, and whether the financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation;
- We identify relationships and transactions with related parties, whether or not the applicable financial reporting framework published related rules, in order to identify fraud risk factors, if any, arising from relationships and transactions with related parties that are relevant to the identification and assessment of the risks of material misstatement due to fraud, and conclude, based on the audit evidence obtained, whether the financial statements, although affected by such relationships and transactions, are fairly presented or are not misleading. In addition, when the applicable financial reporting framework contains rules relating to related parties, we obtain sufficient and appropriate audit evidence to determine whether the relationships and transactions with related parties have been properly identified and accounted for in the financial statements and whether relevant related information has been disclosed;
- We obtain audit evidence that is sufficient and appropriate, regarding events occurring between
 the date of the financial statements and the date of our report that require adjustment or
 disclosure in the financial statements have been appropriately addressed in the financial
 statements in accordance with applicable accounting standards;
- We conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exits, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- We obtain written representations from the Management confirming that they consider that they have fulfilled their responsibilities with respect to the preparation of the financial statements and the completeness of the information provided to us. In addition, we corroborate other audit evidence related to the financial statements or specific related assertions through these written representations if considered necessary or if required by other ISAs.
- We ensure, throughout the audit, that equality between shareholders is respected, in particular that all shares of the same category benefit from the same rights.
- We must report to the next General Assembly any irregularities and inaccuracies identified during the audit. In addition, we must report to the Public Prosecutor's Office any criminal acts of which we became aware during the audit, without our liability being engaged by this disclosure.
- We are bound by the obligation of professional secrecy with respect to facts, acts and information
 of which we have become aware.
