Further, R-WAP is a facility which has been instituted due to challenges arising out of the COVID-19 pandemic. We cannot assure you that R-WAP will not suffer from any unanticipated system failure or breakdown or delay, including failure on part of the payment gateway, and therefore, your Application may not be completed or may be rejected. These risks are indicative and any failure to manage them effectively can impair the efficacy and functioning of the payment mechanism for this Issue. Since Application process through R-WAP is different from the ASBA process, there can be no assurance that Investors will not find difficulties in accessing and using the R-WAP.
