INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AIRTEL PAYMENT BANK LIMITED ON THE AUDIT OF THE FINANCIAL STATEMENTS

To,

The Members of Airtel Payment Bank Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Airtel Payment Bank Limited ("the Bank"), which comprise the Balance Sheet as at March 31, 2022, the Profit and Loss Account and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Banking Regulation Act, 1949, as well as the Companies Act, 2013 ("the Act") and circulars and guidelines issued by the Reserve Bank of India, in the manner so required for banking companies and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, read with rules made thereunder, of the state of affairs of the Bank as at March 31, 2022, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other Than Financial Statements and Auditors' Report Thereon

The Bank's Board of Directors is responsible for the preparation of information other than the Financial Statements and Auditor's Report thereon. The Other Information comprises the Management Discussion and Analysis, Directors' Report including Annexures to Directors'

Report (collectively called as "Other Information") but does not include the financial statements and our auditor's report thereon and the Pillar III Disclosures under the New Capital Adequacy Framework (Basel III disclosures). The Other information as above is expected to be made available to us after the date of this Auditors' report.

Our opinion on the Financial Statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the Other Information identified above when it becomes available and, in doing so, consider whether the Other Information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Bank's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cashflows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ("RBI") from time to time.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Bank's Management is also responsible for overseeing the Bank's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Financial Statements of the Bank for the year ended March 31, 2021 were audited by predecessor auditor who expressed an unmodified opinion on those Financial Statements vide their report dated May 19, 2021.

Report on Other Legal and Regulatory Requirements

- 1. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provision of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Act and Rules made thereunder.
- 2. As required by sub-section (3) of section 30 of the Banking Regulation Act, 1949, we report that:
 - a. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit and have found them to be satisfactory.
 - b. The transactions of the Bank, which have come to our notice, have been within the powers of the Bank.
 - c. According to information and explanation given to us, the key operations of the Bank are automated with the key applications integrated to the core banking systems, the audit is carried out centrally as all the necessary records and data required for the purposes of our audit are available therein. Accordingly, separate accounting returns are not required to be obtained from the branches.
- 3. Further, as required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b) in our opinion, proper books of account as required by law have been kept by the Bank so far as appears from our examination of those books;
- c) the Balance Sheet, and the Profit and Loss Account, dealt with by this report are in agreement with the books of account;
- d) in our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act and Rules made thereunder, to the extent they are not inconsistent with the accounting policies prescribed by RBI;
- e) on the basis of written representation received from the directors as on March 31, 2022 and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2022 from being appointed as director in terms of Section 164 (2) of the Companies Act, 2013;
- f) with respect to the adequacy of the internal financial controls with reference to Financial Statements of the Bank and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
- 4. With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

The Bank is a banking company as defined under Banking Regulation Act, 1949. Accordingly, the requirements prescribed under Section 197 of the Companies Act, 2013 do not apply by virtue of Section 35B(2A) of the Banking Regulation Act, 1949.

- 5. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - a. The Bank has disclosed the impact of pending litigations on its financial position in its Financial Statements to the extent determinable/ascertainable. Refer Schedule 12 to the Financial Statements.
 - b. The Bank did not have any long-term contract including derivatives contracts for which they were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Bank.

- d. The Management has represented that, to the best of it's knowledge and belief, as disclosed in the note 24 (a) of Schedule 18 to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- e. The Management has represented, that, to the best of it's knowledge and belief, as disclosed in the note 24 (b) of Schedule 18 to the accounts, no funds have been received by the Bank from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Bank shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- f. The Bank has neither declared dividend nor paid during the year.

Annexure A to the Independent Auditor's Report of even date on the Financial Statements of Airtel Payment Bank Limited

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls with reference to financial statements of Airtel Payment Bank Limited ("the Bank") as at March 31, 2022 in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Bank's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing ("the SAs"), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design

and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Bank's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Bank's internal financial control with reference to financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorizations of Management and Directors of the Bank; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial controls with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Schedule 17: Significant Accounting Policies

1. Background

Airtel Payments Bank Limited (the 'Bank' or 'Company') was incorporated under Companies Act, 1956. The Company had been in business of providing Semi-Closed Prepaid Payment Instrument and domestic remittance services.

The Company applied for the Payments Bank License to Reserve Bank of India and obtained the banking license on April 11, 2016. Registrar of Companies issued a fresh Certificate of Incorporation (COI) dated May 2, 2016 from which the name of the company changed from 'Airtel M Commerce Services Limited' to 'Airtel Payments Bank Limited'. The Payments Bank commenced its operation on November 23, 2016. As per the Reserve Bank of India (RBI) guidelines, Payments Bank cannot directly undertake lending activities but can offer Savings & Current account, issue prepaid wallets, offer remittance products and distribute non risk sharing financial products such as insurance, mutual fund, loans etc. As the Payments Bank cannot lend to any person except their own employees, accordingly, all the disclosures pertaining to advances have not been made.

The Bank has been included in the Second Schedule to the Reserve Bank of India Act, 1934 vide Notification DoR.LIC.No.S2659/16.13.215/2021-22 dated December 02, 2021, and published in the Gazette of India (Part III – Section 4) dated January 01- January 07, 2022.

The Bank currently provides Savings Account, Semi-Closed Prepaid Payment Instrument, Remittance service, Collection services and distributing non risk sharing financial product such as insurance to the customers. The Bank has received a license from Insurance Regulatory and Development Authority to operate as Corporate Agent, that has enabled the Bank to distribute insurance products of the partner Companies.

2. Basis of preparation

The financial statements have been prepared in accordance with statutory requirements prescribed under the Banking Regulation Act, 1949. The accounting policies of the Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the guidelines issued by Reserve Bank of India (RBI) from time to time, the Accounting Standards specified under Section 133 of the Companies Act, 2013 read together with of the Companies (Accounting Standards) Amendment rules 2016 to the extent applicable and other relevant provisions of the Companies Act, 2013, in so far as they apply to bank's and practices generally prevailing within the banking industry in India. The financial statements have been prepared under the historical cost convention and on an accrual basis except unless otherwise stated by RBI guidelines. The accounting policies have been consistently applied by the Bank and are consistent with those used in the previous year.

Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year.

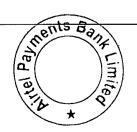

The Bank's Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to the accounting estimates is recognised prospectively in the current and future periods.

3. Summary of significant accounting policies

3.1 Investments

Classification: In accordance with the RBI guidelines on investment classification and valuation, investments are classified on the date of purchase into "Held for Trading" ('HFT'), "Available for Sale" ('AFS') and Held to Maturity ("HTM") categories (hereinafter called "categories"). Subsequent shifting amongst the categories, if done, is also done in accordance with these guidelines.

Significant Accounting Policies

Under each of these categories, investments are further classified under six groups (hereinafter called "groups") - Government Securities, Other Approved Securities, Shares, Debentures and Bonds, Investments in Subsidiaries / Joint Ventures and Other Investments for the purposes of disclosure in the Balance Sheet.

The Bank follows 'Settlement Date' accounting for recording purchase and sale transactions of securities, except in the case of equity shares where 'Trade Date' accounting is followed.

Basis of classification: Investments that are held principally for resale within 90 days from the date of purchase are classified under HFT category. As per the RBI guidelines, HFT securities, which remain unsold for a period of 90 days are reclassified as AFS securities as on that date. Investments which the Bank intends to hold till maturity are classified as HTM securities. Investments which are not classified in either of the above two categories are classified under AFS category.

Acquisition Cost: Broken period interest on debt instruments and government securities are considered as a revenue item under Profit and Loss Account as per RBI guidelines. The transaction costs including brokerage, commission etc. paid at the time of acquisition of investments is recognised in Profit and Loss Account.

Disposal of investments:

- a. Investments classified as HFT or AFS- Profit or loss on sale or redemption is recognised in the Profit and Loss Account.
- **b. Investments classified as HTM-** Profit on sale or redemption of investments is recognised in the Profit and Loss Account and is appropriated to Capital Reserve after adjustments for tax and transfer to Statutory Reserve. Loss on sale or redemption is recognized in the Profit and Loss Account.

Valuation: -

i. Investments classified as HTM - These are carried at their acquisition cost and not marked to market. Any premium on acquisition of debt instruments / government securities is amortised over the balance maturity of the security on a straight line basis. Any diminution, other than temporary, in the value of investment is provided.

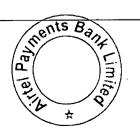

ii. Investments classified as HFT or AFS:

- a. Investments are marked to market on a periodical basis as per relevant RBI guidelines and the net depreciation, if any, within each category is recognised in the Profit and Loss Account. Net appreciation, if any, is ignored, except to the extent of depreciation previously provided. Further, provision other than temporary diminution is made at individual security level. Except in cases where provision other than temporary diminution is made, the book value of the individual securities is not changed as a result of periodic valuations.
- b. Traded investments are valued based on the trades / quotes on the recognised stock exchanges, price list of RBI or prices declared by Financial Benchmarks India Pvt Ltd. ('FBIL'), periodically.

The market or fair value of unquoted government securities included in the 'AFS' and 'HFT' categories, is determined as per the price published by FBIL.

- Unquoted bonds and debentures are valued by applying an appropriate mark-up (reflecting associated credit risk) over the Yield to Maturity (YTM) rates of government securities. Such mark up and YTM rates applied are as per the relevant rates published by FBIL.
- c. Treasury Bills, Commercial Paper and Certificate of Deposits being discounted instruments, are valued at carrying cost.
- d. Units of mutual funds are valued as per the latest Net Asset Value declared by the mutual fund in respect of each particular scheme.
- **iii.** Non-performing investments are identified and valued based on the RBI guidelines. The depreciation / provision on such Non-performing investment are not set off against the appreciation in respect of other performing securities. Interest on non-performing investments is not recognized in the Statement of Profit and Loss until received.

Significant Accounting Policies

iv. Repurchase and reverse repurchase transactions- Securities sold under agreements to repurchase (Repos) and securities purchased under agreements to resell (Reverse Repos) are accounted as collateralised borrowing and lending transactions respectively. The difference between the consideration amount of the first leg and the second leg of the repo is recognised as interest income or interest expense over the period of the transaction.

3.2 Fixed assets (Tangibles and Intangibles) and depreciation / amortisation

Fixed Assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working conditions for its intended use. Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future benefit /functioning capability from / of such assets. The carrying amount of the replaced part is derecognised. All other repair and maintenance costs are recognised in the Profit and Loss Account as incurred. Capital work in progress is valued at cost. Identifiable intangible assets are recognized when the Bank controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Bank and the cost of the asset can be measured reliably.

Gains and losses arising from retirement or disposal of the tangible assets are determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in Profit and Loss Account on the date of retirement or disposal.

Depreciation on fixed assets is provided on the straight line method based on useful lives of respective assets as estimated by the management. The assets' residual values and useful lives are reviewed at each financial year end or whenever there are indicators for review, and adjusted prospectively. Amortization is computed using the straight-line method over the expected useful life of intangible assets

Estimated useful lives of the assets are as follows:

Sr. No	Particulars	Years
1	Computers	3
2	Servers	5
3	Office Equipment	
3(a)	Mobile phones	2
3(b)	Other Office Equipment	5
4	Furniture & Fixtures	5
5	Leasehold Improvements	Period of lease or useful life, whichever is less
6	Others (Including software's, Intangible, Goodwill and system development cost)	
6(a)	In-house developed Software / platform	3
6(b)	Purchase Software*	Over the period of license, generally not exceeding five years.

The management basis its past experience and technical assessment has estimated the useful life, which is at variance with the life prescribed in Part C of Schedule II of the Companies Act, 2013 and has accordingly, depreciated the assets over such useful life.

*Software is capitalized at the amounts paid to acquire the respective license for use and is amortized over the period of license, generally not exceeding five years.

3.3 Impairment of assets

The carrying amounts of assets are reviewed for impairment, whenever events or changes in circumstances indicate that the carrying amount may not be recoverable or when annual impairment testing for an asset is required. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

ments 8

Significant Accounting Policies

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. An impairment loss is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

3.4 Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise Balances with RBI, cash on hand, cheques on hand, balances with other Banks/Institutions and money at call and short notice.

3.5 Revenue recognition and receivables

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Bank and the revenue can be reliably measured. Revenue is measured at the consideration received/receivable, excluding discounts, rebates, and Goods and Service Tax (GST) or duty.

i) Investing and other activities

Income on account of interest and other activities are recognised on an accrual basis. Interest income on discounted instruments is recognised over the tenure of the instruments so as to provide a constant periodic rate of return. Dividend income is accounted on an accrual basis when the right to receive the dividend is established.

ii) Commission exchange and brokerage

Service revenue is recognised on completion of provision of services. Revenue, net of discount, is recognised on transfer of all significant risks and rewards to the customer and when no significant uncertainty exists regarding realization of consideration. Remittance service fee is recognised as and when the transaction is completed. Collection services revenue is recognised on completion of provision of services. All other fees are accounted for as and when it is due.

3.6 Foreign currency translation and accounting for derivatives

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are translated using exchange rates prevailing at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are translated using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are translated using the exchange rates at the date when the values were determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on restatement of the Bank's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

3.7 Employee benefits

The Bank's post-employment benefits include defined benefit plan and defined contribution plans. The Bank also provides other benefits in the form of compensated absences.

Significant Accounting Policies

Under the defined benefit retirement plan, the Bank provides retirement obligation in the form of Gratuity. Under the plan, a lump sum payment is made to eligible employees at retirement or termination of employment based on respective employee salary and years of experience with the Bank.

For defined benefit retirement plans, the present value of the plan recognised as liability in the balance sheet. Scheme liabilities are calculated using the projected unit credit method and applying the principal actuarial assumptions as at the date of balance sheet.

All expenses in respect of defined benefit plans, including actuarial gains and losses, are recognised in the statement of profit and loss as incurred.

The Bank's contributions to defined contribution plans are recognised in statement of profit and loss as they fall due. The Bank has no further obligations under these plans beyond its periodic contributions.

The employees of the Bank are entitled to compensated absences based on the un-availed leave balance as well as other long term benefits. The Bank records liability based on actuarial valuation computed under projected unit credit method.

Employee Stock Option Scheme (ESOS)

The Employees Stock Option Scheme (APBL ESOP – 2017 scheme, as amended so far) provides for grant of options on the Bank's equity shares/ non-cumulative compulsorily convertible non-redeemable preference shares to certain employees of the Bank and Bharti Airtel Limited. The scheme provides that employees are granted an option to subscribe to equity shares/ non-cumulative compulsorily convertible non-redeemable preference shares of the Bank that vest in a graded manner. The options may be exercised within specified period. The Bank records the Employees Stock Options in accordance with the Guidance Note on Accounting for Share Based Payments. The Bank follows the fair value method to account for its stock-based employee compensation plans. In case of equity-settled awards, the stock option is fair valued on grant date and amortized over the vesting period. The amortization of fair value is recognised as an expense in the statement of profit and loss within employee benefits as employee share-based payment expenses, with the corresponding increase in share-based payment reserve.

Gain on cancellation/forfeiture of unvested options are recognized as a decrease in expense in Profit and Loss Account within employee benefits. Further, share based payment reserve transferred to General Reserve at the time of cancellation of vested options.

3.8 Leases

The determination of whether an arrangement is a lease is based on whether fulfillment of the arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement

Leases where the lessor transfers substantially all the risks and rewards of ownership of the leased asset are classified as finance lease and other leases are classified as operating lease.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term. A lease that transfers substantially all the risks and rewards incidental to ownership to the Bank is classified as finance lease.

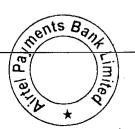

3.9 Taxes

Income tax expenses comprises current tax (i.e. amount of tax for the year determined in accordance with the Income Tax Act 1961) and deferred tax charge (reflecting the tax effect of timing differences between accounting income and Taxable income for the year.

Current Income tax

Provision of current tax is recognized based on estimated tax liability computed after adjusting for allowances, disallowances and exemptions in accordance with tax laws applicable.

Significant Accounting Policies

Deferred tax

Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Bank has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date, unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably or virtually certain, as the case may be, that future taxable income will be available against which such deferred tax assets can be realised.

3.10 Segmental reporting

The, segment information as per AS 17, "Segment Reporting", has been disclosed as per guidelines issued by RBI on AS-17 vide circular dated April 18, 2007. Attributable assets, liabilities, income and expenses are either specifically identified with individual segment or are allocated to the segment in a systematic basis.

3.11 Earnings / (loss) per share

The Bank reports basic and diluted earnings per share in accordance with Accounting Standard 20 Earnings Per Share The earnings / (loss) considered in ascertaining the Bank's Earnings per Share ('EPS') comprises of the net profit / (loss) after tax attributable to equity shareholders.

Basic earnings per share is computed by dividing the net profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax by weighted average number of equity shares and dilute potential equity shares outstanding during the year.

3.12 Provisions and contingencies

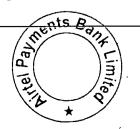

Provisions are recognised when the Bank has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank or a present obligation that is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. Information on contingent liabilities is disclosed in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognized in the period in which the change occurs

Notes to Financial Statements

Schedule -18: Notes to Accounts

Disclosure as laid down by Reserve Bank of India (RBI) Circulars. Amounts in notes forming part of the financial statements for the year ended March 31, 2022 and March 31, 2021 are denominated in rupee crore to conform to extant RBI guidelines, except where stated otherwise.

1) Regulatory Capital

a) Composition of Regulatory Capital

The Bank computes capital adequacy ratio as per New Capital Adequacy Framework Basel II and operating guidelines for Payments Banks (issued by RBI on October 06, 2016).

The Capital adequacy ratio (CRAR) of the Bank is calculated as per the standardized approach for Credit Risk. As per RBI directions dated November 08, 2017 DBR. NBD. No. 4503/16.13.2018/2017-18, RBI for the time being has advised that no separate capital charge is prescribed for market risk and operational risk for Payments Banks. Capital Adequacy Ratio of the Bank at March 31, 2022 is 58.26% against the regulatory requirement of 15.00% prescribed by RBI.

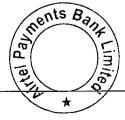

Capital conservation buffer & Counter-cyclical capital buffer is not applicable on Payments Banks as per operating guidelines issued on Payments Banks by RBI.

The following table sets forth, for the period indicated, computation of capital adequacy as per Basel-II framework.

(Rupees in Crores)

11) Disclosure of Penalties imposed by RBI under Banking Regulation Act,1949:

During the year 2021-22 & 2020-21, no penalty has been imposed by Reserve Bank of India on the Bank

12) Disclosure on Remuneration:

Qualitative Disclosure

a. Information relating to the composition and mandate of the Remuneration Committee:

The Nomination & Remuneration committee comprises of non-executive directors including Independent Directors of the Bank. Key mandate of the Nomination & Remuneration committee is to oversee the identification, appointment and fixation of remuneration of directors, Key Managerial Personnel ("KMP") and senior management positions and in overall design and operation of the compensation policy of the Bank to achieve alignment between risks and remuneration.

b. Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy:

- To lay down the criteria and terms and conditions with regard to appointment of Directors (executive and non-executive including Independent Directors), KMP and senior management.
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage for the Company.
- To determine remuneration of Directors, KMPs and other senior management personnel's keeping in view all relevant factors including industry trends and practices.
- To provide for rewards linked directly to their effort, performance, dedication and achievement of Company's targets.

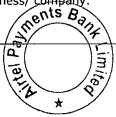

The remuneration process is aligned to the Bank's Compensation Policy objectives.

c. Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks:

In order to manage current and future risk and allow a fair amount of time to measure and review both quality and quantity of the delivered outcomes, a significant portion of senior and middle management compensation is variable.

In addition, remuneration process provides for 'malus' and 'clawback' option to take care of any code of conduct related issue or future drop in performance of individual/ business/ company.

d. Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration:

Individual performance is assessed against the Key Result Areas (KRAs) determined for each Individual and Company (Airtel Payments Bank Limited) for the year to achieve the top business priorities. The Total Cost to Company (TCC) for all employees is a mix of fixed pay and variable pay. The variable pay, as a percent of the TCC is a function of the nature of job and the band of the individual in the hierarchy. The variable payout is calculated as a percent of the target variable pay basis individual performance against the pre – determined KRAs and the Company's performance measured against a bank-specific scorecard.

e. A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting:

Employees are classified into following three categories for the purpose of remuneration:

Category I: Chief Executive Officer (CEO)

Category II: Risk Control and Compliance Staff

Category III: Other categories of Staff – includes all other employees not covered in the first 2 categories.

Following principles are applied for deferral / vesting of variable remuneration in accordance with RBI guidelines and Bank's compensation policy:

Category I: Chief Executive Officer (CEO)

- a. The total variable pay shall be limited to a maximum of 300% of the fixed pay (for the relative performance measurement period). In case variable pay is up to 200% of the fixed pay, a minimum of 50% of the variable pay; and in case variable pay is above 200%, a minimum of 67% of the variable pay should be via non-cash instruments.
- b. The Cash component of the Variable Pay will not exceed 50% of the Variable Pay.
- c. In case the Variable Pay in any year reaches the level of 50% or more of the Total Fixed Pay, an appropriate portion of the Variable Pay shall be deferred as per the Board approved Remuneration Policy.

The compensation will be approved by the Nomination and Remuneration committee and RBI.

Category II: Risk Control and Compliance Staff

- a. Variable pay will not exceed 70% of fixed pay.
- b. The Cash component of the Variable Pay will not exceed 50% of the Variable Pay.
- c. However, if Variable Pay is less than or equal to 15 lakhs, management will have the discretion to pay the entire amount as cash.

For adjusting deferred remuneration before & after vesting:

The deferred/variable remuneration (including Long Term Incentive) of directors, KMPs and other senior management personnel shall be subject to malus/clawback arrangements in the event of negative contributions of the Company and/or the relevant line of business in any year.

Malus: A malus arrangement permits the Company to prevent vesting of all or part of the amount of a deferred remuneration, however, it does not reverse vesting after it has already occurred.

Clawback: A clawback is a contractual agreement between the employee and the Company wherein the employee returns previously paid or already vested deferred/variable pay to the company under certain circumstances.

Under Malus and/or clawback arrangement, the Company, at the discretion of Nomination and remuneration Committee/Board of Directors, shall have the power to prevent vesting of all or part of the amount of a deferred/variable remuneration or reduce, withhold, cancel, clawback such remuneration or impose further conditions in certain circumstances including:

- Significant drop in performance of Individual/Company;
- Disciplinary Action against the individual;
- Resignation of the individual prior to the payment date;
- Directions/approval of any authority governing the Company.

Notes to Financial Statements

f. Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the bank utilizes and the rationale for using these different forms:

The main forms of such variable remuneration include:

- Cash this may be at defined intervals (quarterly/annual/other custom frequency).
- Deferred Cash / Deferred Incentive Plan.
- ESOP as per SEBI guidelines.

The form of variable remuneration depends on the job level of individual, risk involved, the time horizon for review of quality and longevity of the assignments performed.

Notes to Financial Statements

- e) The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in employment market.
- f) Long term service award provided by the Bank as on 31.03.2022 is Rs. 0.79 Crores (as on 31.03.2021 Rs. 0.47 Crores)

16) Employee Stock Option Scheme (ESOS):

The following table provides an overview of existing share option plans of the Bank:

Scheme	Vesting Period
Equity settled Plan	
ESOP scheme-2017	4 years

Weightage average fair value per unit is 3.27 to Rs. 5.43 for the options granted during the year and previous years. Total share based payment expenses during the year is Rs. 1.87 Crores (Previous Year: Rs. 1.54 Crores).

Exercise period is 3 years from vesting date or 1 year from IPO listing (whichever is later). Eligible employee will be able to exercise the option at a price of 50% of FMV (determined at the end of previous financial year) or Rs. 10 whichever is higher. Employee can exercise the unexercised options within 3 months / 1 month from the date of retirement/resignation from the Airtel Group.

The movement in the number of stock options is as follows:

	For the year ended 31.03.2022		l		ear ended 3.2021	
	Number of Options	Weighted average exercise price(Rs.)	Number of Options	Weighted average exercise price(Rs.)		
i) Outstanding at the beginning of the year	19,093,123	10	17,521,373	10		
ii) Add: Granted during the year	10,527,626	10	2,606,500	10		
iii) Less: Expired during the year	1,187,000	10	512,129	10		
iv) Less: Forfeited during the year	655,000	10	410,121	10		
v) Less: Exercised during the year	2,397,318	10	112,500	10		
vi) Outstanding at the end of the year [i+ii-iii-iv-v]	25,381,431	10	19,093,123	10		
vii) Exercisable at year end	9,104,970	10	7,761,472	10		

The Weighted average remaining contractual life of options is 5.7 years (PY: 6.3 Years).

Fair Value methodology

The fair value of options has been estimated using The Black Scholes Model. The shares of the Bank are not listed on any stock exchange. Accordingly, the Bank has considered the volatility of the Bank's stock price as an average of the historical volatility of the similar listed enterprises for the purpose of calculating the fair value. The key assumptions used to estimate the fair value of the options grated are given below.

Particulars	For the year ended 31.03.2022	For the year ended 31.03.2021
Risk-free interest rate	6.3%	6.3%
Expected Life	5.7 years	6.3 years
Expected volatility	47.2%	46.8%
Dividend yield	NĄ	NA NA

17) Accounting Standard AS-17 - Segment Reporting:

- ii) The Business Segments, which is the Primary Segment include:
 - Treasury Operations
 - Retail Banking Operations
- iii) The Geographical segments are recognized as the Secondary Segment. As the Bank is not carrying on any foreign operations, the only reportable geographical segment is of Domestic operations.
 - Treasury Operations: Treasury operations consist of dealing in securities and Money Market Operations.
 - **Retail banking business operations**: Includes all other Banking operations not covered under Treasury. Other banking business is the residual category.

For presentation of results of treasury operations as part of the segment disclosure, the Bank has considered interest costs attributable to the treasury operation which has been derived based on yield of T-bills securities considering the maturity profile of assets / liabilities of the treasury operation.

Note: The effect of conversion of 0.0001% Non-Cumulative Compulsorily Convertible Non-Redeemable Preference Shares and Employee Stock options while computing loss per share for the year ended 31.03.2021 were anti-dilutive, hence not considered.

19) Leases:

The total amount paid by the Bank under cancellable operating lease for the financial year is Rs. 10.32 Cr (Previous year: Rs. 8.89 Cr). The Bank has not entered into any non-cancellable operating lease and financial lease arrangement in the current year and in the previous year.

Notes to Financial Statements

20) Impairment of Assets:

An asset is treated as impaired when its carrying amount exceeds its recoverable amount. The impairment is recognised by debiting the profit and loss account and is measured as the amount by which the carrying amount of the impaired assets exceeds their recoverable value.

The management has reviewed the carrying value of the assets, as per Accounting Standard 28 – "Impairment of Assets", and assessed that no impairment is required as the value in sale is higher than the carrying value.

21) Dues to Micro and Small Enterprises

The dues to micro and small enterprises as required under MSMED Act, 2006, based on the information available with the Bank, is given below.
