Customer shall intimate Airtel in writing within seven (7) days of receipt of the bill(s). Customer shall also pay full amount of disputed charges, if any, irrespective of any pending dispute(s). However, no waiver by Airtel to the Customer shall, in any event, become effective unless the same is in writing and such waiver shall be effective for the limited and specific instance described and for the purpose that the waiver is given.

- Customer shall deposit such amount as interest free security deposit, as may be determined by Airtel. Airtel reserves the right to forfeit/adjust/apply the said security deposit in full or in part satisfaction of any sum which may be due from the Customer to Airtel at any time. Customer shall continue to be liable for balance, if any, Airtel may call for additional security deposit for Services made available to the Customer.
- Airtel in accordance with TRAI guidelines/regulations is entitled to charge, vary, add, withdraw any services and/or to vary the Tariff on these services and/or make any stage chargeable which is not initially or at any stage chargeable.
- Upon delay/non-payment of bills beyond the due date or non-deposit of any applicable fee, charge or deposit, or any increase thereof, Airtel reserves the right to totally or partially disconnect the services of such customer. For restoring the Services, the Customer shall have to apply for reactivation of the connection, after making the due payment and the applicable restoration charges.
- Airtel will not be liable for Customer Equipment being faulty/ incompatible. Customer must pay all the dues in full, without any deduction, set off or withholding.
- In case of customer opting for e-bill facility, ID, password and other information or details shall be exchanged through the medium of internet and Airtel shall not in any manner be responsible or liable for the secrecy or security of the same under any circumstances.

4. Customer's Obligation

- If the SIM/CPE is lost or stolen, the Customer shall forthwith inform Airtel. This notification shall authorize Airtel to suspend all or any part of the Services and/or disconnect the Services. Airtel reserves the right to charge the customer for all losses, damages and costs accrued to be or incurred by Airtel for any unauthorized use and replacement of the SIM.
- Customer shall not use the Services for any unlawful, immoral or abusive purposes in violation or derogation of any law/rule or regulation or statutory directive or order for the time being in force or against any public policy or for sending/receiving obscenity, threatening, harassing message/communications or sending messages or communications that affect national interest, or create any damage or risk to Airtel or its Network/equipments/call centre and/or other Customer(s). Any violation or misuse by Customer shall under no circumstances be attributed to Airtel and the Customer shall be solely responsible for all such acts or omissions.
- Customer shall intimate Airtel about change in address, if any, in writing along with such proof, as may be deemed necessary by Airtel.

- Customer shall not use the Services as a 'OSP' (Other Service Provider) or for the purposes of telemarketing. directly or indirectly, without submitting to Airtel the required approvals/registration from relevant authorities.
- Unless specifically allowed by Airtel, the Customer shall not change the configuration of its EPBAX set during installation or any time subsequent thereof by way of which any of the undermentioned possibility could arise.
 - (i.) Any setting in the EPBAX resulting in only the Pilot number being transmitted irrespective of the extension (Directory Number) from which the call is originating.
 - (ii.) Any setting in the EPBAX resulting in incomplete extension (Directory Number) being displayed. Thereby meaning that a lesser number of digits are either allotted or displayed.
 - (iii.) The Customer shall provide a certificate from the EPBAX Equipment Vendor (wherever specially sought by Airtel) that the software has not been tampered in violation of the National Numbering Plan specified by DoT.
 - (iv.) In case the Customer wishes to use the EPBAX with private network & PSTN, they must have proper authorisation from DoT/TRAI and must ensure that the separation of traffic is done through logical partitioning.

5. Confidentiality

Privacy of communication is subject to the terms of the License Agreement of Airtel with DoT and other statutory and regulatory notifications/directives etc. The Customer specifically agrees that in order to facilitate Airtel to provide Services, Airtel may be required to disclose any information or particulars pertaining to the Customer to any authority, statutory or otherwise, including by not limited to any debt collection agency, credit reference agency, security agency, and reserves the right to comply with the directions of such authorities at its discretion and without intimating the Customer.

6. Ownership

- The Customer shall have no title and/or ownership and/or interest in the SIM and/or the CPE and therefore shall not be entitled to transfer/assign/lease and/or otherwise part with the same under any circumstance. The ownership and effective control over the SIM/CPE shall always remain with Airtel. The Customer shall return the SIM/CPE immediately on termination of the Relationship Period. The Customer shall not claim any charge or lien on the SIM, CPE, even if any dispute is pending between the Customer and Airtel. Customer shall be responsible for the maintenance and upkeep of the CPE subject to normal wear and tear.
- All CPE, provided (but not sold) by Airtel shall always remain absolute property of Airtel. The Customer shall only have limited right to use the custody of the equipment or other equipment/accessories during the enrolment period.

- The CPE has been provided to the Customer in order to facilitate Airtel to exclusively use the same for rendering its Services. The Customer shall not deal with the CPE independent of Airtel in any manner whatsoever.
- Customer shall neither shift the CPE nor transfer the same in any manner. In case the Customer fails to comply with the terms and conditions of enrolment, Airtel reserves the right to lift or remove the CPE from the Customer's premises and terminate the enrolment without any liability whatsoever on its part.
- Airtel reserves the right to visit the premises of the customer where CPE is installed/SIM taken to check for the bonafide usage of the services provided after giving a reasonable notice to the Customer.
- Further, acceptance of bill payments by Airtel from a person other than the Customer does not mean acceptance of transfer/assignment/lease of any rights or obligation of the Customer to such person making the payment.
- This relationship envisages a pure and simple service agreement and it is categorically understood that the Customer shall not have any interest or domain over the Network and the technology utilized by Airtel to provide services. There is no intention of sale or transfer of right to use in any manner whatsoever.

7. Roaming Guidelines

- Airtel reserves the right to provide roaming facility on such Tariff as may be decided by Airtel from time to time within the realm of TRAI guidelines/rules/regulations.
- While roaming out of the Network, the Customer shall ensure that the cellular mobile handset is compatible to the frequency of the visiting network and Airtel shall not be liable for non-availing of Services on account of such non-compatibility. Roaming facility shall be subject to interconnect agreements/arrangements of Airtel with other telecom operators operating in other networks.
- Roaming Tariff may differ from operator to operator. Applicable operator specific tariff(s) will be charged from the Customer. Details of tariff may be obtained from Customer Care (by calling 121) or visiting the website www.Airtel.in
- Customer can avail VAS while roaming outside the Network, provided the respective roaming operator's network supports the same. Applicable operator specified tariffs will be charged for these Services.
- In the event of international roaming, the call details will be passed on to the Customer on request on such conditions as Airtel may prescribe, subject to the availability of the same with Airtel from the respective international operator. The Customer shall not raise any dispute unless as provided for in this CRF with regard to the calls, caller line identification, etc. and shall make payment within specified time as per the bills raised by Airtel, without any protest or

demur. The completion of call in roaming locations is subject to the call being transferred effectively by the applicable operator.

8. Disclaimer of Liability

- Airtel makes no express or implied warranty, guarantee, representation or undertaking whatsoever regarding the Services, which are not expressly mentioned herein.
- Airtel shall not be responsible for any acts or omissions of any third party including franchisees/ dealers/ distributors/ retailers etc., with regard to scheme(s) which are not expressly authorized by Airtel.
- Airtel shall not be liable to the Customer for any delays, loss of business, profit, revenue or goodwill, anticipated savings, use of contracts, damages, fees, costs, expense, orders, judgment, etc. or for any indirect or consequential loss, howsoever, it arises for or on account of unavailability/ usage of Services or otherwise.
- Airtel shall not be liable to the Customer for injuries or damages resulting from omissions, interruptions, delays, errors in transmission, failures or defects in equipment, or any other cause including but not limited to the failure to transmit, which are connected with incidents of fire, explosion, war, riots, strikes, lockouts, picketing, boycotts, and cause originating in the facilities or operations of other telecom or allied service providers and other reasons or causes beyond the control of Airtel or for any reason whatsoever.
- The terms and conditions herein shall be subject to the notification/guidelines issued by TRAI and DoT, from time to time.

9. Additional T&Cs for Telemedia (Fixed Line) Services

- The DSL/Broadband speed available to the Customer is the maximum prescribed speed for which the Customer is entitled and Airtel does not hold out any assurance that the said speed shall be maintained at all time and the same may vary depending upon the Network congestion, technical reasons or any other unavoidable circumstances.
- It is clearly understood that installation of broadband and/or fixed lines services require several vital and time consuming activities, inter-alia, including laying down of cable, proper wiring of the area/premises, allocation of tag in the switch, other technical requirements etc. and therefore Airtel does not prescribe or hold out any fixed timeline after execution of the CRF, during which the said Services shall be activated. Airtel shall endeavour to activate the Service within reasonable time and it is expressly agreed that the person executing the CRF shall not be entitled to raise any claim or action or damages of whatsoever nature on account of delay in activation of Services and the Customer shall only be entitled to refund of the initial amount paid by the Customer.
- With a view to give all Customers optimum Service, the Tariff plans offered by Airtel shall be subject to Fair-Usage policy as formulated and implemented by Airtel from time to time.

10. Mobile Number Portability for postpaid customers

- To begin with MNP, customer needs to generate UPC (Unique Porting Code) by sending SMS to 1900. UPC is an alphanumeric code allocated, upon request, by a mobile operator to its subscriber for the purpose of facilitation of porting of his/her mobile number to another operator. SMS to be sent: PORT <your Mobile Number> to 1900. Operator SMS charges will be applicable. TRAI issued Telecommunication Mobile Number Portability (Seventh Amendment) Regulations, 2018 (“MNP Seventh Amendment Regulations”). The salient points of the MNP Seventh Amendment Regulations are as below:
 - All the cases except corporate porting cases; the generation & delivery of Unique Porting Code (UPC) has been provisioned to establish a query response mechanism to enable the Mobile Number Portability Service Provider (MNPSP) to query the database of the Donor Operator on real time basis to obtain the response for the queries. Based on the result of queries made by MNPSP and fulfilment of other prescribed conditions, the allocation and delivery of UPC shall be ensured by MNPSP.
 - Every Access Provider shall set up, in its mobile network, a mechanism for the purpose of receiving SMS from its subscribers requesting for a UPC and forwarding the same to the Mobile Number Portability zone to which the mobile number belongs.
 - The porting timeline of two working days has been provisioned for the requests of Intra-Licensed Service Area (Intra-LSA) numbers except the requests made under corporate category and the timelines of four working days has been provisioned for all the porting requests of Inter-Licensed Service Area (Inter-LSA) numbers and there is no change in the porting timelines for corporate category.
 - The validity of UPC has been kept four days in place of 15 days earlier for all LSAs except for the LSAs of Jammu & Kashmir, Assam and North East for which the validity of UPC remains unchanged.
 -

11. Severability

If any part/clause of their CRF becomes illegal, invalid or unenforceable, that part/clause shall be ineffective to the extent of such invalidity or un-enforceability only without in any way affecting the validity or enforceability of the remaining parts of said provision/clause or any other clause/provision of this CRF.

12. Jurisdiction

The courts at ...(Please refer the respective circle area CAF for this)..... shall have exclusive jurisdiction in respect of the subject matter of the CRF.

- National Customer Preference Register (Do-Not-Disturb Registry)

- Registration or changing preference in the Do-not-Disturb Registry can be done via our website www.aitel.in/dnd or via the 1909 IVR (toll free) or by sending an SMS “Start <option>” for preference based SMS-only communication, or SMS “Start 0” for fully blocking, to 1909. The preference options are 1 for Banking/Insurance/Financial products/Credit Cards, 2 for Real Estate, 3 for Education, 4 for Health, 5 for Consumer goods & automobiles, 6 for communication/Broadcasting/Entertainment/IT and 7 for Tourism & Leisure. The customers may also send a request by way of an email to 1909@aitel.com from their registered email address.
- Post registration of preference(s), confirmatory SMS shall be sent to the customer along with unique registration number.
- To de-register from the Do-Not-Disturb Registry, kindly Call 1909 IVR (toll free) or send SMS “Stop <option>” for deregistering from subscribed preference(s), or “Stop 0” for complete deregistration from the Do-Not-Disturb Registry, to 1909(toll free). The customers may also send a request by way of an email to 1909@aitel.com from their registered email address.
- Registration/preference change/deregistration in the TRAI’s Do-Not-Disturb Registry shall be effective within 7 days from the date of submission of registration/preference change/deregistration request with airtel.
- If customer’s number is reported/found to be used for unsolicited promotional activities, all numbers for same name & address shall be disconnected. The name & address shall be blacklisted for next 2 years & subscription denied. The number will be recycled as per the Recycle Policy but the customer shall be denied subscription as per the prevailing guidelines at that point of time. Customers should register for telemarketing with the TRAI and use designated telemarketing series numbers/SMS resources for promotional calls/SMS.
- For registering DND complaints, DND-subscribers may use the following channels:
 - DND complaints form available at <http://www.aitel.in/dnd>.
 - email to 1909@aitel.com with date of call/SMS, telemarketer number and brief context of the call/SMS.
 - SMS <Brief description of the promotion>, telemarketer number/Sender ID and date, to 1909.
 - Call 1909 (toll free) and speak to a Customer Care Executive.

In case the resolution is not as expected then you may share with us the reason for dissatisfaction and our team will re-assess your complaint and provide resolution within 10 days.

Second Level: File appeal with the Appellate Authority

Should the complaint center be unable to resolve your grievance to your satisfaction, you could approach the next level, the Appellate Authority.

A consumer may prefer an appeal before the Appellate Authority either through e-mail or facsimile or post, or in person; Appellate Authority can be contacted at the details provided in Annexure II. Appellate Authority will revert to you with resolution within 39 working days.

Please keep in mind:

- a) The working hours for Appellate Authority are between 9:30 am to 6:30 pm from Monday to Friday.
- b) The Appellate Authority will provide you with a Unique Reference number within 3 days of reporting the issue
- c) The Appellate Authority shall decide every appeal within 39 working days from the date of filing the appeal.

Contact details of the Appellate Authority and time limits for disposal of appeals

Appellate Authority can be contacted as per details given on Annexure II. Appellate Authority will revert to you with resolution within 39 working days.
